**SUPPLEMENTARY INFORMATION:** In accordance with the Privacy Act of 1974, the U.S. International Development Finance Corporation (DFC) proposes to establish a new system of

records titled, "DFC/09 Reasonable Accommodations Records." This system of records covers DFC's collection and maintenance of records on applicants for employment, employees, and other individuals who participate in DFC programs or activities who request or receive reasonable accommodations or other appropriate modifications from DFC for medical or religious reasons.

Title V of the Rehabilitation Act of 1973, as amended, prohibits discrimination in services and employment on the basis of disability, and Title VII of the Civil Rights Act of 1974 prohibits discrimination, including on the basis of religion. These prohibitions on discrimination require Federal agencies to provide reasonable accommodations to individuals with disabilities and those with sincerely held religious beliefs unless doing so would impose an undue hardship. In some instances, individuals may request modifications to their workspace, schedule, duties, or other requirements for documented medical reasons that may not qualify as a disability but may necessitate an appropriate modification to workplace policies and practices. DFC may address those requests pursuant to the general authority of the Director contained in Title V of the United States Code.

Reasonable accommodations may include, but are not limited to: making existing facilities readily accessible to individuals with disabilities; restructuring jobs, modifying work schedules or places of work, and providing flexible scheduling for medical appointments or religious observance; acquiring or modifying equipment or examinations or training materials; providing qualified readers and interpreters, personal assistants, service animals; granting permission to wear religious dress, hairstyles, or facial hair or to observe a religious prohibition against wearing certain garments; considering requests for medical and religious exemptions to specific workplace requirements; and making other modifications to workplace policies and practices.

DFC's Office of Human Resources Management and DFC's Office of Equal Employment Opportunity process requests for reasonable accommodations due to a medical or religious reason; DFC's Office of Human Resources Management also processes requests based on

documented medical reasons that may not qualify as a disability but that necessitate an appropriate modification to workplace policies and practices. Other DFC offices may also receive such requests related to programs or activities for which they are responsible. The request, documentation provided in support of the request, any evaluation conducted internally, or by a third party under contract to DFC, the decision regarding whether to grant or deny a request, and the details and conditions of the reasonable accommodation are all included in this system of records.

DFC has provided a report of this system of records to the Committee on Oversight and Government Reform of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, and the Office of Management and Budget (OMB), pursuant to 5 U.S.C. 552a(r) and OMB Circular A-108, "Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act," dated December 23, 2016. This system will be included in the DFC inventory of record systems.
